### Veterinarian Information:

Name/Clinic:		Vet:	
Address:		Phone	
City:	ST:	Zip:	

I agree to the following:

- Your pet's safety is first at Bark University, INC. We require a current copy of your pet's vaccination records. You may fax them to **847-367-9006**.
- Owner will advise Bark University, INC. of any allergies, sensitivities, or pre-existing medical conditions. Please let us know of any prior grooming history you or your pet may not have found satisfactory.
- Owner will advise Bark University, INC. of any aggressive behavior when it comes to nail clipping, ear cleaning, teeth brushing, bathing, blow drying, expressing anal glands and/or any other grooming procedures.
- Bark University, INC. will not continue with any grooming procedure that appears to cause pain or discomfort to the pet or harm to the groomer/stylist. Sometimes, for a more sensitive dog, these procedures are best left to the care of a veterinarian.
- Muzzles, elastic collars, slings, straps, etc., may be humanely used if it is necessary for the safety of the pet and groomer/stylist.
- I am aware that if my pet does not respond to the groomer/stylist and remain still during the grooming procedure, accidents can happen such as nicks from clippers, scissor, or toenail trimmers.
